Tiffany Wong has more than fifteen years' experience appearing as Counsel in a broad range of public law and commercial matters. She has a broad public law practice, acting both for private parties as well as government agencies and has substantial experience both bringing and defending applications for judicial review. Tiffany is regularly briefed to advise and appear in complex commercial and insolvency disputes acting for banks, hedge funds, bondholders and liquidators as well as for regulators such as ASIC.

She has particular expertise in matters involving financial and accounting issues, drawing upon both her legal and accounting studies at university. She routinely advises on difficult questions regarding the construction of contracts and statutes.
